

Results of the Surrey Photographic Association Biennial Exhibition 2012

The 3 judges scored out of 5 (2 being the lowest mark available to them), thus the minimum score is 6 and the maximum score is 15. Each entrant could submit 4 images in each class.

The organisers emphasised that you should not be overly disappointed if you did not get acceptances as the standard is of National level.

The full list of scores is available from Sylvia Moorhouse.

The summary below is of all the acceptances. We had no certificate winners.
