

CARSHALTON CAMERA CLUB

SLF MONO PRINT PANEL

2013-14

On 13th November, CCC competed against four other clubs at Mitcham in the first round of the SLF Mono Competition. The judge was Dave Mason. We finished a very reasonable third out of the five clubs and for much of the competition were neck and neck with the eventual second place club. The third place means that we progress to the Plate Competition which will take place at our club on the 13th January. However, one of our images did gain a certificate, which qualifies it for the Finals Day competition for certificated images.
