

FSLPS FINALS DAY 2013

At the SLF Finals Day held at Beckenham CC on April 20th, we were not involved in any of the team finals. We did however have images in the Open Competitions and the Competitions for images which received certificates in the inter-club competitions earlier in the season.

There can be only one winner but the judges pull out a number of images to specially comment on – in a sense these can be considered to have won a certificate of merit. We had no less than five images singled out in that way, which is a very good performance.

The honoured images were:

Dungeness Crossing	Bob Broglia	Certificated Monochrome Prints
Gate is Open	Dave Rayers	Certificated Monochrome Prints
The Revd Jesse Jackson	Mike Dales ARPS	Certificated Monochrome Prints
Time Warp	Darren Pullman	Certificated DPIs
Red Bag	Gerald Kitiyakara LRPS	Open Colour Prints
